SummerDaze

GIVING TREE IS BACK!

SummerDaze Day Camp starts on July 6 filling every corner of the parish with joy, laughter, happiness and love!

This year, SummerDaze Day Camp did not receive the Canada Summer Job Fund that covers most expenses of the camp, and so, this creates a very real need for help.

Please take a look at the giving tree and together, we can build a camp where every child feels loved, supported, and free to grow into who they're called to be. The Giving Tree will be displayed in church until July 5.

Be completely humble and gentle; be patient, bearing with one another in love. Ephesians 4:2

Pope Leo's First Encyclical:

Magnifica Humanitas

On Safeguarding the Human Person in the time of Artificial Intelligence

In his first encyclical, Magnifica Humanitas, Pope Leo XIV appeals for artificial intelligence to be placed firmly at the service of humanity, warning against technologies that foster domination, exclusion and war. The Holy Father insists that no one must be excluded from digital transformation and that human beings can never be reduced to "productivity," "cognitive performance," or "mere data." He affirms that "The person bears within him - or herself - a freedom, an interiority and a vocation to love and worship that no machine can replace or block".
