**Inspired by faith, grounded in science:
the Creighton Model FertilityCare™ System**

Couples use the knowledge of their times of fertility and infertility to prayerfully discern planning their family with a high degree of accuracy. Users of this natural family planning method report higher levels of intimacy and a strengthened marriage bond.

Women of any age, from menarche to menopause, use the knowledge of their cycle function to understand their fertility as a gift and to monitor a key vital sign of health.

Doctors trained in NaProTECHNOLOGY, a cooperative reproductive health science, use the Creighton chart to evaluate, diagnose, and treat reproductive health concerns such as PMS, PCOS, infertility, and many more.

And it is all done with one-on-one support and in line with the teachings of the Catholic Church.

Our parish goal for this year's campaign is \$66,000

You open the door to safety from abuse

Your support of ShareLife-funded agencies is a saving grace for victims of domestic abuse. Maria was trapped in an abusive relationship, isolated from family and friends. A mother of three, pregnant with her fourth, she needed to escape for her safety and theirs. At Safe Centre of Peel, led by Catholic Family Services Peel-Dufferin, 17 partner agencies unite to care for families. They provide legal assistance, safe housing, and financial aid. Through your solidarity, Maria and her young children were able to secure the freedom they deserve.

Please give at the parish using a ShareLife envelope, online through our parish website, or at sharelife.org/donate.
