SummerDaze

GIVING TREE IS BACK!

SummerDaze Day Camp starts on July 6 filling every corner of the parish with joy, laughter, happiness and love!

This year, SummerDaze Day Camp did not receive the Canada Summer Job Fund that covers most expenses of the camp, and so, this creates a very real need for help.

Please take a look at the giving tree and together, we can build a camp where every child feels loved, supported, and free to grow into who they're called to be. The Giving Tree will be displayed in church until July 5.

Liturgical Environment Planner

In recent months, parishioner, Jackie, stepped into the role of liturgical environment planner. Thanks, Jackie, for integrating your love for nature, your skill for creating floral arrangements and your interest in keeping our church beautiful to facilitate worship at liturgy.

A "liturgical environment" refers to the physical, visual, and sensory atmosphere of a worship space (like a church). It includes everything from the arrangement of furniture and architecture to art, lighting, and seasonal decorations, all designed to enhance the congregation's prayer experience and reflect the specific liturgical season of the Church. The liturgical environment serves to communicate the theology and mood of the current season without needing to say a word.
