the Creighton Model FertilityCare™ System

Couples use the knowledge of their times of fertility and infertility to prayerfully discern planning their family with a high degree of accuracy. Users of this natural family planning method report higher levels of intimacy and a strengthened marriage bond.

Women of any age, from menarche to menopause, use the knowledge of their cycle function to understand their fertility as a gift and to monitor a key vital sign of health.

Doctors trained in NaProTECHNOLOGY, a cooperative reproductive health science, use the Creighton chart to evaluate, diagnose, and treat reproductive health concerns such as PMS, PCOS, infertility, and many more.

And it is all done with one-on-one support and in line with the teachings of the Catholic Church.

To find out how to #startwiththechart, contact
jennifer@fertilitycare.ca or visit www.fertilitycare.ca

"St. Marguerite Bourgeoys FertilityCare empowered me to find my voice, understand my body and my identity, and build a strong foundation for my future relationships."

Our parish goal for this year's campaign is \$66,000

You're creating an accessible future for all

Through your support of ShareLife, Silent Voice breaks barriers for families in a welcoming American Sign Language (ASL) environment. Despite the stigma that people with disabilities face, Silent Voice offers a haven of acceptance for the Deaf and Hard of Hearing community and their families. Here, their dignity and worth are affirmed, providing them with the confidence to thrive. And it's all possible because of understanding supporters like you.

Please give at the parish using a ShareLife envelope, online through our parish website, or at sharelife.org/donate.
