Our parish goal for this year's campaign is \$66,000

Sow the seeds of hope for the next generation

The future of the Church depends on men and women heroically answering God's call. When you support ShareLife, you enable the discernment, formation and education of those who will serve in our parishes through the Office of Vocations and seminaries. Your kindness makes it possible for future priests to attend St. Augustine's Seminary and the Redemptoris Mater Missionary Seminary where they learn to tend to the Lord's vineyard and work for the salvation of souls. In addition, St. Augustine's Seminary educates permanent deacons and lay people serving our parishes. Thank you for your prayers and commitment towards young people on their journeys of faith. Please give at the parish using a ShareLife envelope, online through our parish website, or at sharelife.org/donate.

**Message for Mother's Day
from Frank Cardinal Leo**

Excerpt only

Like so many of us, when I think of mothers in general, and my mother in particular, what comes to mind is the many loving and heartfelt ways that they demonstrate and provide affection, guidance, warmth and care. A mother's day is filled with a myriad of selfless gestures, deep concerns, prayer and worry, stress and joy, cooking and cleaning, shopping and driving, loving every step of the way, loving in a

life-giving way, loving and not counting the cost. The gift of self, putting the good of her children and family before hers; teaching and disciplining, cherishing and nurturing - fostering the growth and maturity of her beloved ones. This side of Heaven we will never know how much our mother's love, attention, and generosity have shaped us into who we are today; protected from danger and comforted in our sorrows.

Mothers have a special place in God's heart and in his saving plan for us. Let us take the time this year to remember with fondness and gratitude our mothers; let us love them, honour them and bless them, and let us respect them as they grow old and need love, attention, and care from us.
