# Chapel Remains Open & Weekend Prayer Services Continue

In a communication to parishes this week, Cardinal Collins clarified that the provincial restrictions, implemented on January 14, do not impact our current limit of 10 persons present inside a place of worship at any time. Therefore, our Adoration Chapel remains open and our weekend prayer services continue.

### **Eucharistic Adoration Chapel**

Whether you are a scheduled adorer or you come to the chapel even for a short time of prayer, you are required to wear a mask that covers your nose and mouth completely during the full time you are in the chapel.

Kindly respect the maximum limit of 10 people in the chapel.

# Weekend Prayer Service with Holy Communion How can I participate?

Individuals and families wishing to participate in a prayer service are invited to enter the church from the **SIDE ENTRANCE**, **near the chapel**. Do not use the front entrance of the church. Parishioners may stay in their car to keep warm until space is available for them at the next prayer service. Parishioners will be welcomed on a first-come-first-served basis by a scheduled volunteer.

The small group will stand, appropriately distanced and wearing masks in front of the sanctuary so no cleaning of pews is required.

A short prayer service, approx. 10 minutes will be repeated several times in the hours listed below to allow as many families and individuals as possible to participate.

Saturdays: 5 pm - 6 pm

Sundays: 8 am - 9 am, 12 pm - 1 pm

#### **Dispensation from Sunday Mass**

The dispensation announced by Cardinal Collins on June 10, 2020, regarding the obligation to attend Mass on Sunday and holydays of obligation by parishioners in the Archdiocese of Toronto during the time of the COVID-19 pandemic, is not a blanket dispensation, but one that applies when the faithful encounter certain life circumstances which physically or morally impede them from attending Mass.

Campaign Life Coalition has been involved at the United Nations for over 20 years, mitigating the damage committed by UN entities, pro-abortion organizations and member states that are determined to enshrine abortion as a universal human right.

Not only do they want to impose abortion on every nation in the world, they do so with your money. Until now, together with the Holy See and a coalition of like-minded NGO's, we have held the line.
