Rivers do not drink their own water;
trees do not eat their own fruit;
the sun does not shine on itself and
flowers do not spread their fragrance for themselves.

Living for others is a rule of nature.
We are all born to help each other.

No matter how difficult it is...
Life is good when you are happy;
but much better when others
are happy because of you.

Pope Francis

Thank you, Lord, for opportunities to make others happy!

October 31 **ShareLife Sunday**

Living the Gospel by supporting frontline workers

Day in and day out, frontline workers have been working tirelessly during the pandemic to keep our society moving. These individuals are doing their jobs knowing they are at risk of catching the virus.

While these frontline workers are there for us, who is there for them? For many, the answer is a Catholic Family Services agency. These agencies have served countless clients who are on the front lines, providing counselling and emotional support. These agencies are helping them cope with the stress and anxiety of being exposed to illness, along with the other mental health issues that have become more prevalent during the pandemic.

Catholic Family Services agencies could not continue their work without our support of ShareLife. Your donation allows them to make their programs available to everyone, regardless of financial means. No one is turned away due to inability to pay. As a community, we should feel proud that we're helping our brothers and sisters in this way.

If you haven't given to our parish campaign, I invite you to do so on ShareLife Sunday on October 31. You can also give anytime using a ShareLife envelope in the collection, or by donating online at sharelife.org. Together, we are living the Gospel by providing for those in need! Thank you for your support.

Please give generously.
