The Search: Why a Church?
If Christ walked the earth over 2,000 years ago, can I really access Him now? This episode of The Search answers this question and helps us understand the profound meaning of the Church. **ALSO IN SPANISH**

Dr. Ben Akers and author Sarah Christmyer discuss women of the Bible and how examining their stories and struggles can help women find grace in the **Word of God.**

The first feature film ever on the story of St. Joseph, who was a carpenter, the husband of Mary, and the foster father of Jesus Christ. Scripture tells us that St. Joseph was a just man and that God gave him the most daunting task ever asked of a man—to be the husband of the woman who would give birth to the Messiah and the father and protector of this Holy Family. He would be the man **closest to Christ.**

The role of patience in the Christian life: how it is expressed, the difficulties of exercising it, and how to practically grow in the virtue of patience.

Dispensation from Sunday Mass

The dispensation announced by Cardinal Collins on June 10, 2020,
regarding the obligation to attend Mass on Sunday and holydays of
obligation by parishioners in the Archdiocese of Toronto during the time
of the COVID-19 pandemic, is not a blanket dispensation, but one that
applies when the faithful encounter certain life circumstances which
physically or morally impede them from attending Mass.
